DOG-ON-IT-PARKS.COM

The Single Hoop Jump is a practical component for smaller parks that need to maximize space. The large diameter accommodates dogs of all sizes, and the low entry is ideal for small dogs or those new to agility. Our signature paw details are precision routed and help to provide depth perception, and free customization allows you to add your park or community name, or honor a park donor. Standard colors are Red, Black, Blue or Green, custom colors available for additional charge.
