

DOG-ON-IT PARKS

DOG-ON-IT-PARKS.COM

Our “handy” sanitizing station offers durable and rust-proof HDPE construction with an optional touchless battery-operated sensor and/or powder coated aluminum post. The dog house style station comes stocked with an 81 ounce dispenser and pump, and is fragrance free with a total of 6000 pumps before needing a refill. Standard color options are: Red/Yellow, Green/White, Blue/White or Brown/White. The station includes pre-drilled mounting holes for easy installation and all stations are keyed alike.
