

The Terrier Tunnel is designed for smaller dogs with a length of 35" and height of 21". Just like all our NatureDog™ components, it features heavy duty flanges to accommodate anchor bolts for permanent installations or landscape stakes/staples for more flexibility. These unique components accentuate Mother Nature, and with a proprietary coloring process using natural sands and crushed rock, no two pieces are exactly alike.

NAT7101 TERRIER TUNNEL

**Exclusive, highly
durable polymer
blend**

**Textured for
maximum slip
resistance**
