

Handcrafted with our super durable polymer blend, molded and detailed to look like the real thing! The Big Stump Jump has a generous 24" diameter and is 16" high. Just like all of our NatureDog™ components, it features heavy duty flanges to accommodate anchor bolts for permanent installations or landscape stakes/staples for more flexibility such as seasonal or pop-up dog parks. These unique components accentuate the natural environment, and no two pieces are exactly alike.
