DOG-ON-IT-PARKS.COM

A better boulder! Just like all of our other NatureDog boulders, the Boulder Run features a natural coloring process with crushed rock and sand for both variation and slip resistance, but with the added fun of a tunnel for more play opportunities. Rust-proof aluminum flanges allow for multiple installation options including landscape stakes for pop-up/seasonal parks or anchor bolts for mounting into footers or a concrete pad. This is exclusive to DOIP!
