OUR MISSION

Our mission at Dog-ON-It Parks is to help communities become *more* pet-friendly by providing solutions for dog parks, off-leash areas and everywhere else dogs are welcome.

We design and manufacture recreation level dog agility components, as well as a wide selection of dog park amenities including drinking fountains, fire hydrants, pet wash stations, site furnishings, waste stations and much more.

DESIGNED FOR

Public & Private Dog Parks, Multifamily Communities, Military Posts, RV Resorts & Campgrounds, Animal Shelters, Veterinary Clinics, Airport Pet Relief Areas, and other dog-friendly locations!

WHY CHOOSE DOG-ON-IT?

- The **first** company in the US to specialize exclusively in dog parks and dog park products
- All products are made in the USA and feature rust-proof, durable materials to ensure longevity and years of fun
- Innovative designs you won't find anywhere else
- Lifetime warranty against rust on all agility components
- Knowledgeable customer service team and complimentary design assistance to help make your project a success

BENEFITS OF DOG PARKS

- A low cost, high return amenity that helps to foster a sense of community
- Dog agility helps to strengthen the bond between people and their pets
- Park users visit year round, rain or shine, so your investment pays off quickly
- Serves a wide range of ages and abilities - for both people and their pets!
- ADA compliant when used with accessible surfacing
- Can help to prevent nuisance behaviors such as barking and chewing that are caused by a lack of physical and mental stimulation
- They're fun!

WARRANTY

We're proud to offer the most comprehensive warranty in the US! A lifetime guarantee against rust on all aluminum and HDPE-based agility components, along with five years on workmanship and materials (under normal use when properly installed and maintained). What's not covered? Vandalism, man-made or natural disasters, improper installation, lack of maintenance, normal weathering/fading and normal wear and tear from regular use.

EARTH-FRIENDLY MANUFACTURING & MATERIALS

We stand behind the products we manufacture, and our manufacturing processes. The aluminum we use for our agility components averages between 80-85% recycled content, and the HDPE up to 90%. Our pet fountains contain appx 75% recycled material as well, and are fabricated using "Green Building" friendly stainless steel. We recycle 100% of our post-production metal and plastic scrap!

CLASSIC AGILITY EQUIPMENT

SAFETY AND DURABILITY

Safety and durability are our top priorities, so all of our ramp components feature reinforced 10 gauge rust-proof aluminum with our proprietary PawsGrip™ coating to help provide traction – even on snow, mud, sand and ice.

What is PawsGrip™?

PawsGrip™ is a unique spray-on polymer coating that provides a heavy duty, slip resistant surface. It's similar to what's used in truck bed liners but supplemented with our own special material to give it even more non-slip texture.

6401

A-FRAME

- ✓ One of the most fun (and popular!) components
- ✓ Extra wide 38" planks and only 3'H at the peak for added safety
- ✓ Standard Colors: Red/Yellow/Blue, Green/Grey/Black or Blue/Pewter/Black
- ✓ Ships LTL freight

6402

DOG WALK RAMP

- ✓ Helps to build confidence and improve balance
- ✓ Make sure your dog is comfortable using the A-Frame before moving on to the more challenging Dog Walk Ramp
- ✓ Standard Colors: Red/Yellow/Blue, Green/Grey/Black or Blue/Pewter/Black
- ✓ Ships LTL freight

6403/6404

WAIT TABLE (8" OR 16" HEIGHT)

- ✓ Solid surface (free of perforations!) ensures a dog's nails won't get caught
- ✓ Ask your dog to step or jump onto the table, and wait to be released. These components help to develop patience and confidence.
- ✓ Standard Colors: Red/Blue, Green/Black, or Blue/Black

6405

STEP UP TABLE

- ✓ Features 3 offset platforms to help with climbing skills
- ✓ A good intro to both the Agility Walk and A-Frame
- ✓ Standard Colors: Red/Yellow/Blue, Green/Grey/Black or Blue/Pewter/Black

6412

TEETER TOTTER

- ✓ 10' long with special rubber bumpers on each end to help soften the landing
- ✓ One of the most challenging and fun components
- ✓ Only 2'H when completely elevated and suitable for dogs new to agility
- ✓ Standard Colors: Red/Yellow/Blue, Green/Grey/Black or Blue/Pewter/Black
- ✓ Ships LTL freight

6413

AGILITY WALK (SET OF 5)

- ✓ Circular platforms with varying heights feature our exclusive PawsGrip™ coating
- ✓ Helps to develop balance and timing skills
- ✓ Solid walking surfaces are free of unsafe perforations
- ✓ Standard Colors: Red/Blue, Green/Black, or Blue/Black

Safety first! Dog parks with dedicated Large & Small Dog Areas are safer for our four-legged friends, along with size appropriate agility components.

CLASSIC AGILITY EQUIPMENT

SAFETY AND DURABILITY

Dog parks are tough environments, so we manufacture all of our components to withstand both the elements and daily use.

We source only the highest quality US made materials to ensure years of enjoyment for your community.

6415

HOUND HOOPS (SET OF 5)

- ✓ Pipe arches accommodate dogs of all sizes
- ✓ Great component for interacting with your dog as you guide them through the hoops
- ✓ For more fun, have your dog weave in and out of the hoops
- ✓ Standard Colors: Blue or Black

6509

HOUND HURDLES (SET OF 4)

- ✓ Signature paw and bone graphics provide depth perception
- ✓ Most dogs are natural jumpers and they'll quickly improve with practice
- ✓ Customize the planks with your park or community name
- ✓ Standard Colors: Red/Yellow, Green/White, or Blue/White

6516

FLEXIBLE WEAVE POLES (SET OF 6)

- ✓ Made with durable urethane, our weave poles are designed to safely and slowly flex back upright
- ✓ Avoid Weave Poles made from heavy steel or brittle PVC
- ✓ Standard Color: Black

6520

ADJUSTABLE TIRE JUMP

- ✓ Sliding brackets provide a 14" range of height adjustment
- ✓ Interior hoop diameter of 24" is big enough to accommodate large breeds
- ✓ Customize the hoop with your park or community name
- ✓ Standard Colors: Red/Yellow/Blue, Green/White/Black or Blue/White/Black

6521

ADJUSTABLE JUMP BAR

- ✓ Aircraft grade aluminum alloy bar is lightweight, yet very strong
- ✓ Easily adjusts to 7 different heights
- ✓ Standard Colors: Red/Yellow/Blue, Green/White/Black or Blue/White/Black

6522

DOUBLE HOOP JUMP

- ✓ 2 size hoops suitable for all size dogs
- ✓ Perfect starter piece and intro to agility jumps
- ✓ Customize the hoops with your park or community name
- ✓ Standard Colors: Red/Yellow/Blue, Green/White/Black or Blue/White/Black

6523

SINGLE HOOP JUMP

- ✓ Generous 27" diameter to accommodate large dogs
- ✓ Ideal for areas needing to maximize their space
- ✓ Standard Colors: Red/Yellow/Blue, Green/White/Black or Blue/White/Black

CLASSIC AGILITY EQUIPMENT

SAFETY AND DURABILITY

Our jumps are designed for fun! Featuring aluminum pipe and UV resistant materials with our signature Dog-ON-It colors and graphics, these are an affordable way to perk up your park. Interested in other color options or customization? Contact us for details!

6601-6603

WALL JUMPS (2 PLANK OPTION SHOWN)

- ✓ Start with the single plank and work up to the more challenging heights
- ✓ Paw and bone details assist with depth perception
- ✓ Free customization
- ✓ Standard Colors: Red/Yellow/Blue, Green/White/Black or Blue/White/Black

6606

TRI-LEVEL JUMP

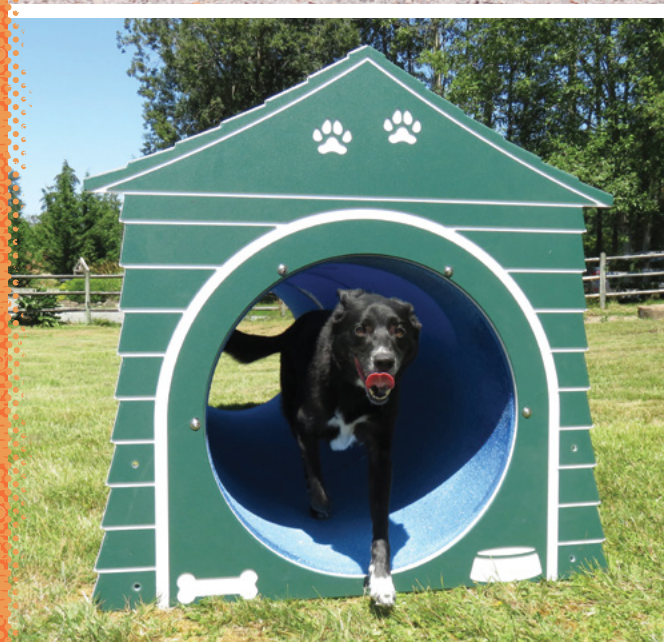

- ✓ 3 jumps in 1 provide plenty of play opportunities
- ✓ Ideal for areas that are tight on space
- ✓ Routed paw/bones or customization all help with depth perception
- ✓ Standard Colors: Red/Yellow/Blue, Green/White/Black or Blue/White/Black

6703-6709

BOW WOW BARRELS

- ✓ 27" diameter accommodates dogs of all sizes
- ✓ Choose from 3, 6 or 9-foot lengths
- ✓ Customizable dog house panels feature eco-friendly HDPE plastic
- ✓ Standard Color Options:
Tube: Green, Blue or Red
End Panels: Green/White, Red/Yellow, or Black/White

A BETTER TUNNEL

Unlike slippery playground tubes, all of our tunnels are designed specifically for our four-legged friends and feature our proprietary texture that is molded **into** the plastic for years of slip resistance.

Whether you're highlighting your park or community name, or honoring a park donor, customizable obstacles such as our Tire Jump, Hound Hurdles or Wall Jumps help to set your dog park apart.

NATURE DOG™

LOOKING FOR SOMETHING A LITTLE DIFFERENT?

Our unique and versatile line of nature-inspired agility components offers an easy way to incorporate play activities that complement the natural environment. Individually handcrafted to look like real logs, tree stumps, and boulders, these can be installed with landscape stakes for seasonal parks or anchor bolts for permanent installations.

ND7101

TERRIER TUNNEL

- ✓ This is suitable for small to medium dogs with dimensions of 32"L and 20"H
- ✓ Hand painted and won't rot, rust or fade over time

ND7102

DOG THROUGH THE LOG

- ✓ At a generous 46"L and 24"H, this easily accommodates large dogs
- ✓ Offers two opportunities for play; dogs can run through the tunnel or perch on top
- ✓ Textured interior helps to provide traction

ND7103

DOG LEG WALK (SET OF 2)

- ✓ Helps to improve balance and confidence skills as the dog walks down one log and steps onto the other.
- ✓ Also functions as a natural looking bench for park seating

ND7110/ND7111

LITTLE & BIG STUMP JUMPS

- ✓ A natural version of our popular Agility Walk
- ✓ Stagger heights for more fun and challenge
- ✓ Two sizes to choose from; either a 10" or 14" height

ND7120/ND7121

SMALL & LARGE BOULDERS

- ✓ Flat, textured surface allows dogs to sit or lie comfortably
- ✓ 2 different heights (16" & 22") provide options for both large and small dogs
- ✓ Provides different play opportunities; dogs can jump, climb and/or balance on top

ND7122

STEPPING STONES (SET OF 3)

- ✓ Dogs build confidence by step or hopping from stones of increasing and decreasing height
- ✓ Set of 3; smaller stones are 10"H and the larger stone is 18"H.
- ✓ Flat, highly textured surfaces provide traction

Visiting a new park? Check the rules before you go! Most dog parks have specific guidelines regarding vaccinations, age (for both pets and people), food, and some require a tag or pass to enter the park.

CANINE COURTYARD™

SOLUTIONS FOR SMALLER SPACES

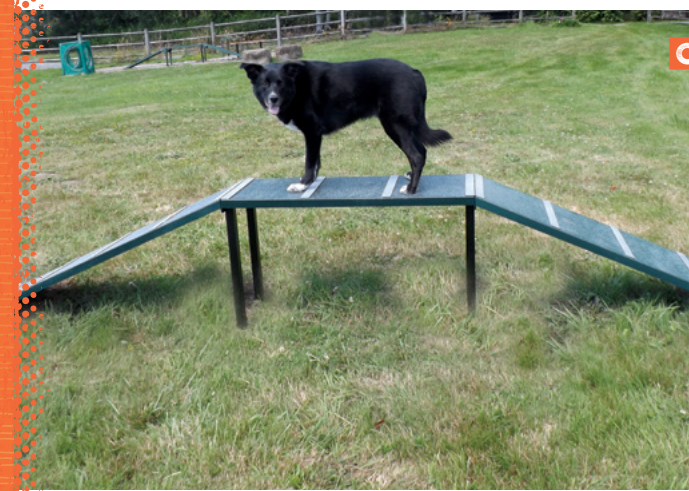

Featuring the same heavy-duty materials as our classic line, Canine Courtyard™ is a cost-effective way to add fun to your multifamily community, RV resort, campground or pocket park. Even better? All components ship affordably by FedEx or UPS Ground.

CC5401

CORGI CLIMB

- ✓ A smaller version of our traditional A-Frame
- ✓ An ideal starter piece and a good intro to the more challenging Dachshund Double Ramp
- ✓ Standard Colors: Green/Gray/Black, Red/Yellow/Blue, or Blue/Pewter/Black

CC5402

WHIPPET WALK

- ✓ The platform is only two feet at its highest point which makes this a safe introduction to other, more challenging components
- ✓ Reinforced aluminum is sturdy enough for large breeds as well
- ✓ Standard Colors: Green/Gray/Black, Red/Yellow/Blue, or Blue/Pewter/Black

CC5403

DACHSHUND DOUBLE RAMP

- ✓ A unique product you won't find anywhere else
- ✓ Similar to our Whippet Walk, but with offset zigzag style ramps
- ✓ Standard Colors: Green/Gray/Black, Red/Yellow/Blue, or Blue/Pewter/Black

CC5404

DALMATIAN DISKS (SET OF 4)

- ✓ This fun component challenges your dog's coordination
- ✓ A series of platforms at different heights requires your dog to step (or hop!) onto each one
- ✓ Entirely flat walking surfaces are free of unsafe perforations
- ✓ Standard Colors: Green/Black, Red/Blue, or Blue/Black

CC5405

SAMOYED SIT & STAY TABLE

- ✓ Perfect for beginners to dog agility as it's the easiest component to learn
- ✓ Work with your dog to step up onto the table and wait patiently
- ✓ Standard Colors: Green/Black, Red/Blue, or Blue/Black

CC5406

SCOTTIE SEESAW

- ✓ Seesaws help to improve coordination and balance
- ✓ Watch your dog's confidence increase once they learn to control the movement
- ✓ Special rubber cushions help to soften the landing
- ✓ Standard Colors: Green/Gray/Black, Red/Yellow/Blue, or Blue/Pewter/Black

Apartment communities and RV resorts that offer a dog park onsite see less resident turnover and typically have a higher approval rating than the non pet-friendly competition.

CANINE COURTYARD™

COMPACT FUN FOR COMPACT PARKS

Having a smaller park isn't a deal breaker! Our friendly dog park experts can guide you through selecting the best components for your space including free 2D designs.

CC5501

WOOF FIBER™

- ✓ Made of specially ground untreated wood, so it's certified non-toxic and is more comfortable under dogs' paws than traditional mulch
- ✓ Certified ADA Accessible (when installed & maintained correctly) and helps to reduce mud puddles, craters, dust and dirt
- ✓ Installs directly over existing surfacing whether sod or asphalt
- ✓ Woof Fiber™ is an all-weather surface; under hot conditions, it's practically dust free. After heavy rainfall, it can be used immediately with no mud or cupping, and it won't freeze until well below 32° F

TURF PODS

- ✓ Designed for use over hard surfaces, and ideal for rooftop parks and pet relief areas
- ✓ Unique modular system allows rotation of individual pods to regulate wear and easy access underneath for cleaning
- ✓ Elevated tiles allow extra drainage and an aeration layer to keep both the grass and floor dry
- ✓ Pods come standard in 36" x 48" squares or can be ordered in custom sizes. They snug together for easy installation and maintenance, and typically cost less than a standard installation by a synthetic turf contractor

SURFACING SOLUTIONS

Fact: Dog parks are often loved to death. Consider installing Woof Fiber™, a grass stabilizing system or our Turf Pods if you have a hard surface such as concrete or asphalt. All provide the ease of low maintenance with ADA Accessibility for year-round enjoyment.

HYDRAULIC GROOMING TABLE

- ✓ Table top is textured for slip resistance
- ✓ Simply pump the foot pedal to adjust the table height from 19" up to 39"
- ✓ Comes with rotating grooming arm

PW7305

K9 DRYER

- ✓ Variable speed dial offers the flexibility to quickly dry thick double-coats and lower speeds for our short-haired friends who need less drying time
- ✓ 10' hose with round and flat blower tips, and filter. Optional wall mount bracket available
- ✓ Choose from 12 standard colors

How often should you bathe your dog? It depends on the breed! Our short haired friends such as Great Danes may only need a bath once or twice a month whereas longer-haired dogs typically require a bit more TLC.
